*To get there: Take I91 to exit 15, Fairlee. Turn west and take Lake Morey West Drive around the lake for about 1.4 miles to the boat launch.*

#### Clues:

1. Park at the boat launch

Be sure you're all set

Step o'er the "road-fence"

And turn to the LEFT.

2. Walk about 70 steps

(From the BL sign)

And cross the street

The woodland opening

Should be right at your feet!

3. Soon, you'll see a white rock

But please do not stop.

If you keep on the trail

We're sure you'll not fail.

4. A tree broken in half

Crosses the path.

Here comes some water

But don't stop for a bath.

5. Keep on the path...

You'll see a waterfall.

But it's just the lower one  
And not tall at all.

6. Just above, a VT HD  
Post is on the right.  
Count them all  
As they come into sight.

7. Can you find a big burl?  
On a trunk spy a rounded curl!

8. When you find the 2nd orange  
Marker along your way  
The Upper Falls song  
Should brighten your day.  
But "turn right and 30 steps,"  
Off the beaten path,"  
That's what we say.

9. You'll find a snag  
From a tree blown down.  
The trunk points to where  
The falls are found.

10. See the stump,  
six feet tall:  
You're very close now  
to finding the treasure of the falls.  
The box is hidden,  
concealed from your eyes;  
Clear away the big pile of rocks  
to find where it lies.

Fairlee Glen Falls  
For more than 100 years.
